**KLAN GATHERS  
AT SORG FARM**

Biggest Assembly Of Hooded Order  
Ever Staged In This Vicinity Is  
Held At Nininger. 800 Cars Parked  
At Farm.

Eight hundred automobiles and approximately 1,200 Klansmen and spectators are reported to have been counted in the vicinity of the Carl Sorg farm at Nininger last Monday night at what is believed to have been the largest assembly ever staged by the hooded order in this vicinity.

According to the accounts of spectators the robed Klansmen literally filled the premises in the vicinity of the Sorg home while their speaker, Pat Malone of Menominee, Wis., was addressing them from the porch of the farmhouse.

Rev. W. E. Thompson of Stanton, formerly pastor of the Methodist church of this city, offered the prayer at the close of the meeting.

Sentinels patrolled the roads near the Sorg home, spectators reported, but there were no disturbances.

The Klansmen wore their robes and hoods but were unmasked.
